SAFARI LODGE

Fact sheet

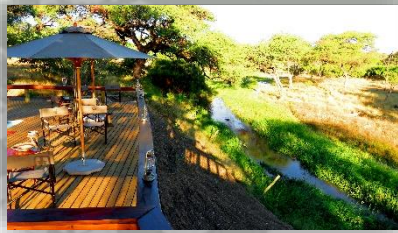

## Introduction

Named after the iconic Camelthorn tree, and tucked away under their shady branches, Mogotlho Safari Lodge is situated along the banks of the Khwai / Mababe river near to the remote village of Mababe – a mere stone's throw from the southern tip of the world renowned Chobe National Park.

Each of the 13 spacious and modern tents, sleeping a total of 24 guests, have been intimately placed to ensure unspoiled panoramic views of the African bush, with a touch of class. Sit back on your private deck overlooking the river – or rest in our king size beds, after an action-packed day exploring the area.

Set in the heart of our 50 000-ha private concession, Mogotlho Safari Lodge delivers exceptional, uninterrupted opportunities to view a range of wildlife, including the rare 'Painted Dog', herds of Buffalo, Lion, Elephant, Zebra, Wildebeest, and many more. Owing to the abundance of water in the area, birdlife is phenomenal.

Relax in our spacious lounge, cool off in our sparkling pool, or sip a sundowner on our main area deck - while watching Elephants enjoy one too. Mogotlho Safari Lodge is the perfect destination to unwind and experience Botswana at its finest.
