

LOW COST SPAY/NEUTER VOUCHER INFORMATION

Thank you for being concerned about your pet's health and well-being by seeking Spay/Neuter services. Did you know that spaying and neutering your cat or dog –

- ✓ Keeps your pet healthy and helps prevent many diseases.
- ✓ Helps keep your pet at home since he/she won't have the urge to seek a mate.
- ✓ Helps ensure that no more unwanted animals are born.
- ✓ Helps with many behavior problems, such as spraying to mark territory.

Beartooth Humane Alliance would like to assist limited income homes, senior citizens on a fixed income or families encountering hardships in Carbon and Stillwater Counties by providing low cost spay-neuter vouchers.

What the Voucher Provides

Each voucher provides for the low cost routine spay or neuter of puppies or kittens aged 8 weeks or older and adult dogs and cats. Pet owners are responsible for a minimal co-payment and all other costs, if any, beyond the cost of the spay-neuter surgery or for additional costs due to complications such as a pregnant female or a female in heat or extra anesthesia for extremely large dogs. Vaccinations, other services or diagnostic tests are not covered by the voucher. The veterinarian may refuse to perform surgery for any reason at their discretion. This service is for pets only.
