

Pennies for Patients

January 28 - February 14

CJMS is participating in Pennies for Patients, an awareness program that helps raise critical funds for The Leukemia & Lymphoma Society (LLS), the world's largest nonprofit organization fighting blood cancer.

CJMS's goal is to raise \$1500!

Help us reach this goal by donating online at Penniesforpatients.org/find-your-school or by putting cash into your PRIDE's collection bag!

Spirit week is Feb 3 - 7

see flyers posted in the school for more information

Parents: we will be collecting at the basketball games on January 28th & 30th and February 5th, so please bring your spare change and dollars and help us with the Bucket Boost!

Do you pick your child up after school? If so we will have students collecting in the pick up line on various afternoons during the 3 weeks--help us and Chuck Your Change!
