INTEGRA® has applied over 100 years of experience into creating the most comprehensive chemical and equipment programs in our industry today.

From our innovative earth friendly solutions, together with reliable delivery systems and standardized cleaning processes, you can rely on INTEGRA® for total solutions at competitive prices. This makes us a unique resource for all your sanitation and facility supply needs. We deliver far more than products, we deliver value.

By successfully integrating products with service, we've created programs that are safe, simple and effective. While all facilities are different and have their own maintenance requirements, INTEGRA® has a system that is right for you. From our INTEGRA® Systems for kitchen and laundry products, to our DOSE by SURFLEX® housekeeping products. INTEGRA® is the only name you need to know for quality and price performance. We are your cleaning resource.

The INTEGRA System® • Patent No. US 7,658,213
