SUPERIOR COURT OF ARIZONA

COUNTY OF MARICOPA

STATE OF ARIZONA, *ex rel*. LESLIE R. HESS, Interim Director of Insurance,

Plaintiff,

VS.

COMPASS COOPERATIVE MUTUAL HEALTH NETWORK, INC., dba MERITUS MUTUAL HEALTH PARTNERS, an Arizona corporation; and COMPASS COOPERATIVE HEALTH PLAN, INC., dba MERITUS HEALTH PARTNERS, an Arizona corporation,

Defendants.

No. CV2016-011872

PETITION NO. 10

REQUEST FOR APPROVAL OF CONTINGENCY FEE ARRANGEMENT FOR RISK CORRIDOR SUIT

(Assigned to The Honorable Daniel Martin)

Leslie R. Hess, Interim Director of Insurance, as Receiver (hereinafter "Receiver") of Compass Cooperative Mutual Health Network, Inc. doing business as Meritus Mutual Health Partners ("Meritus Mutual") and Compass Cooperative Health Plan, Inc. dba Meritus Health Partners ("MHP"), appointed pursuant to A.R.S. § 20-611, *et seq.*, hereby petitions the Court for entry of the Order Approving Contingency Fee Arrangement for Risk Corridor Suit for the reasons set forth herein.

26

- 1. In an Order dated August 10, 2016, this Court placed Meritus and MHP into receivership under orders of liquidation.
- 2. Like many health insurers and health maintenance organizations around the country, Meritus and MHP have claims against the Centers for Medicare and Medicaid Services ("CMS") under the Affordable Care Act ("ACA"). In addition, there are other aspects of the ACA that may result in payables and receivables involving CMS, including for example Reinsurance and Risk Adjustment. Risk Corridor, Risk Adjustment and Reinsurance are frequently referred to as the "3Rs."
- 3. At this time, more than twenty lawsuits seeking to recover Risk Corridor payments have been filed against CMS in the United States Court of Federal Claims ("Claims Court") and, in some cases, suits have been brought against CMS in federal district courts around the country. The vast majority of the suits are pending and some have been stayed. However, orders have been entered in certain cases and it is anticipated that the orders would be appealed. In some cases the orders favored CMS and in other cases the orders favored insurers. For example,
- a. In *Land of Lincoln Mutual Health Insurance Company v. United States*, No. 16-744C, dated November 10, 2016, Judge Lettow of the Claims Court entered an Order granting CMS's motion dismissing the complaint.
- b. In *Health Republic Insurance Company v. United States* ("*Health Republic*"), No. 16-259C, dated January 10, 2017, Judge Margaret M. Sweeney of the Claims Court entered an Order concluding that plaintiffs' claim for unpaid risk corridor payments for 2014 and 2015 is ripe for adjudication. The plaintiffs in that case filed a Motion for Summary Judgment on March 3, 2017.

¹ The amounts at issue are significant. As noted in the Defendants' Brief for the August 10, 2016 Hearing on the Court's Order to Show Cause, before the Receivership, Meritus claimed to be owed \$73 million in Risk Corridor and \$5.8 million in Reinsurance while also claiming to owe \$51.8 million in Risk Adjustment. While the Receiver repeats the assertions to provide context, the Receiver does not adopt them as her own and reserves all rights, claims and remedies associated therewith.

- c. In *Moda Health Plan, Inc. v. United States*, No. 16-649C, dated February 9, 2017, Judge Thomas Wheeler of the Claims Court entered an Order concluding that the Government is liable to Moda and granted partial summary judgment.
- d. In *Maine Community Health Options v. United States*, No. 16-967C, dated March 9, 2017, Judge Eric G. Bruggink of the Claims Court entered an Order denying CMS's motion to dismiss and requesting additional briefing on certain issues.
- 4. The *Health Rebublic* action has been certified as an opt-in class action with the opt-in deadline established as May 12, 2017. In that case, Class Counsel has requested to limit the contingency fee to five percent (5%) or less of any recovery.
- 5. Pursuant to A.R.S. § 20-624 and Paragraph 10 of the August 10, 2016 Order for Appointment of Receiver and Injunction ("Receivership Order"), the Receiver has possession and control of the rights of action and has the right to recover those actions. Moreover, as specifically provided in paragraph 8(e) of the Receivership Order, the Receiver has been ordered to:

Institute, prosecute, defend, compromise, intervene in, seek stays in, or become a party to, such suits, actions or proceedings at law or in equity as may, in the Receiver's opinion, be necessary for the collection, recovery, protection, maintenance, or preservation of the property or assets subject to this receivership.

6. Pursuant to A.R.S. § 20-623.01(A) and paragraph 7 of the Receivership Order, the Receiver may appoint one or more counsel as the receiver deems necessary and, subject to the Court's approval, the Receiver shall use funds or assets of Meritus and MHP to pay the compensation and expenses of such counsel. In its entirety, A.R.S. § 20-623.01(A) provides as follows:

In any delinquency proceeding, the receiver may appoint one or more special deputy receivers to act for the receiver and may employ, as the

receiver deems necessary, counsel, clerks and assistants. Subject to the approval of the court, the receiver shall fix the compensation of the special deputies, counsel, clerks or assistants and all expenses of taking possession of the insurer and of conducting the proceeding and shall use the funds or assets of the insurer to pay the compensation and expenses.

- 7. Subject to the express authority from Arizona statutes and this Court's previous Order, the Receiver is evaluating available options under the specific circumstances with respect to prosecuting one or more causes of action seeking to recover the Risk Corridor payments due to Meritus and MHP and, among other things, the Receiver is considering: (1) commencing an individual suit in Claims Court subject to a contingency fee arrangement with a law firm that already has one or more similar action on file; (2) opting-in to the *Health Republic* Class Action; and (3) waiting to commence a suit pending the developments of the cases already on file.
- 8. While there is no immediate deadline to commence an individual suit, the May 12, 2017 deadline to opt-in to the Class Action is quickly approaching and the Receiver is seeking this Court's approval of the potential contingency fee rates associated with such actions.
- 9. Accordingly, with respect to the prosecution of a Risk Corridor suit and subject to the Receiver's consideration of the various options specified above, Receiver requests this Court's approval of a contingency fee rate at five percent (5%) or less as provided for the Class Action or for a comparable rate in the range of five percent (5%) to ten percent (10%) if an individual action is pursued.² The Receiver will submit a supplemental notice to the Court confirming the final contingency fee rate within the proposed range.

 $^{^2}$ To the extent an individual action requires a contingency fee of greater than ten percent (10%), Receiver would seek further review and approval of the Court.

WHEREFORE, the Receiver requests that the Court enter an Order Approving Contingency Fee Arrangement for Risk Corridor Suit in the form lodged concurrently with this Petition after expiration of the objection period.
