Anyone who would like a "Dwell at Home" resource packet can pick one up from Jodi Siebrecht after the service today. Packets are also available from Anna at Bethel North.

COVID-19 Reminders

Based on some of the feedback the Consistory received from our recent survey and the increase in positive COVID tests in our area, we wish to offer these reminders for the comfort level and protection of all those who attend in-person worship at Bethel.

- We ask that you please do your best to observe the seating guidelines posted outside the auditorium.
- We also ask that you take your time exiting the auditorium to allow for recommended social distancing.
- Please move away from the auditorium doors into the commons area or down the hallways before you start visiting with one another.
- Feel free to linger and visit throughout the commons area before and after worship.
- We strongly encourage you to bring a mask and wear it when you are visiting.
- As always, make use of the available hand sanitizers and refrain from shaking hands, hugging etc.

Let's all do our best to continue to care for one another. Thank you.

Wed. Night Ministries

Wednesday Night Children's Ministry: We have been working on a way to offer our Wednesday night children's ministry that is safe for the health of the children and our adult volunteers. In order to do what we have in mind we still need several adult volunteers to adequately staff this ministry. Will you please prayerfully consider being a part of this team? You can contact Jody Van Kley if you have any questions or are willing to volunteer. Thank you!

The Consistory of Bethel wishes to thank all of you who took the time to fill out the congregational survey over the last few weeks. We spent a great deal of time in our Consistory meeting this past Thursday night taking in the very helpful feedback you shared. Within the next couple of weeks we will be sharing the survey results with the congregation along with a report and some recommended action steps for your consideration. Again, thank you so much for your input and continued prayers.
