Bethel Reformed Church

October 4, 2020
Sunday Morning Worship
9:30 a.m. – Sheldon High School Auditorium

"To develop, in the power of the Holy Spirit, persons who know, enjoy, and share Jesus."

Welcome to Bethel Mobile!

On behalf of our great church family, I want to express how glad we are that you are here today. I trust you will experience the Inspiring Worship and Loving Relationships that make Bethel such a special place no matter where we meet. I pray that your joy in our awesome God will be deepened as we praise Him and look into His word together. I also pray that the love of Jesus will fill and refresh your spirit so you can show and share His love wherever you are this week.

Blessings!

Wed. Night Ministries

Wednesday Night Children's Ministry: We have been working on a way to offer our Wednesday night children's ministry that is safe for the health of the children and our adult volunteers. In order to do what we have in mind we still need several adult volunteers to adequately staff this ministry. Will you please prayerfully consider being a part of this team? You can contact Jody Van Kley if you have any questions or are willing to volunteer. Thank you!

Safety Reminders

Based on some of the feedback the Consistory received from our recent survey and the increase in positive COVID tests in our area, we wish to offer these reminders for the comfort level and protection of all those who attend in-person worship at Bethel.

- We ask that you please do your best to observe the *new* seating guidelines posted outside the auditorium (sit in only marked rows, leaving 3 seats between family groups).
- We also ask that you take your time exiting the auditorium to allow for recommended social distancing.
- Please move away from the auditorium doors into the commons area or down the hallways before you start visiting with one another.
- Feel free to linger and visit throughout the commons area before and after worship.
- We strongly encourage you to bring a mask and wear it when you are visiting.
- As always, make use of the available hand sanitizers and refrain from shaking hands, hugging etc.

Let's all do our best to continue to care for one another. Thank you.
