Welcome to Bethel Mobile!

On behalf of our great church family, I want to express how glad we are that you are here today. I trust you will experience the Inspiring Worship and Loving Relationships that make Bethel such a special place no matter where we meet. I pray that your joy in our awesome God will be deepened as we praise Him and look into His word together. Wed. Night Ministries

We have been working on a way to offer our Wednesday night children's ministry that is safe for the health of the children and our adult volunteers. In order to do what we have in mind we still need several adult volunteers to adequately staff this ministry, **with the greatest need being security**. Will you please prayerfully consider being a part of this team? You can contact Jody Van Kley if you have any questions or are willing to volunteer. Thank you!

An ordination service for **Alisha Riepma** is being planned for Sunday afternoon, November 1st at 3:00 p.m. All Bethel members are invited to attend and celebrate this significant milestone for one of the daughters of our church. Mark your calendars for the date and time. Location details will be shared in a future announcement.

Safety Reminders

Based on some of the feedback the Consistory received from our recent survey and the increase in positive COVID tests in our area, we wish to offer these reminders for the comfort level and protection of all those who attend in-person worship at Bethel.

- We ask that you please do your best to observe the *new* seating guidelines posted outside the auditorium (sit in only marked rows, leaving 3 seats between family groups).
- We also ask that you take your time exiting the auditorium to allow for recommended social distancing.
- Please move away from the auditorium doors into the commons area or down the hallways before you start visiting with one another.
- Feel free to linger and visit throughout the commons area before and after worship.
- We strongly encourage you to bring a mask and wear it when you are visiting.
- As always, make use of the available hand sanitizers and refrain from shaking hands, hugging etc.

Let's all do our best to continue to care for one another. Thank you.
