## Safety Reminders

Based on some of the feedback the Consistory received from our recent survey and the increase in positive COVID tests in our area, we wish to offer these reminders for the comfort level and protection of all those who attend in-person worship at Bethel.

- We ask that you please do your best to observe the *new* seating guidelines posted outside the auditorium (sit in only marked rows, leaving 3 seats between family groups).
- We also ask that you take your time exiting the auditorium to allow for recommended social distancing.
- Please move away from the auditorium doors into the commons area or down the hallways before you start visiting with one another.
- Feel free to linger and visit throughout the commons area before and after worship.
- We strongly encourage you to bring a mask and wear it when you are visiting.
- As always, make use of the available hand sanitizers and refrain from shaking hands, hugging etc.

Let's all do our best to continue to care for one another. Thank you.
