

8th ANNUAL  
ELKS CHARITY BENEFIT SHOOT  
In conjunction with Purgatory Clay Sports

Saturday November 14, 2020      Start time: 9am

This year, above all, it is so important for the St. George "Dixie" Elks Lodge to support our community. With all the Covid-19 regulations it has put a strain on our children.

The proceeds from this event will go directly to the purchase of "**BUDDY BENCHES**" to eventually be placed at schools through out Washington County. When the time comes the children will be able to rekindle relationships and make new friends. These benches have been proven to support this theory.

We have more than appreciated all your support and participation of this fun event over the past seven (7) years.

There will be a donation jar available to further your support.

Your registration fee will include a boxed lunch ready to serve starting at 11:15am.

As always, we will have a **High Overall Award** with a Sportsman Warehouse Gift certificate awaiting the winner. The format for events are determined by Purgatory Clay Sports.

We look forward to seeing all of you again.

Best regards,

Renee Danelon  
Event Chairman
