August Sampler 2020

ASD is running a 2 week dance camp this June. Students who will be entering 2nd grade in September and older can register to attend. A variety of dance disciplines will be covered. Students will not know in advance what discipline will be covered each night— it will be a surprise! Students should dress in appropriate dance attire, bring all of their dance shoes and a water bottle. If a student does not have all of the appropriate shoes for each discipline, don't worry—we will make it work!

This will be a great opportunity to explore new dance styles and meet other dancers and ASD staff members. Students who do not already dance at ASD are also welcome to participate in camp. Students of all levels are encouraged to attend the June Sampler.

Please note: The June Sampler will NOT be serving as a general tryout for dance team this year.

The August Sampler is MANDATORY for current Dance Team members

The dance camp schedule will go as follows:

6:00 – 7:00 Group A = Students entering 2nd grade through students entering 4th grade

7:00 – 8:00 Group B = Students entering 5th grade through students entering 8th grade

8:00 – 9:00 Group C = Students entering 9th grade through students entering 12th grade

Class will meet August 18, 19, 20, 25, 26, & 27.

If there are less than 10 students in each group, they will be combined. Time changes will be determined at a later date if this occurs. Any questions please contact the studio ASAP!

Registration Deadline is August 10th. Payment is due by this date as well.

Cost - \$ 82 for 6 classes
