Mandarin Square is a 39-story luxury condominium located within 25,000 square feet of property in Binondo, Manila. A magnificent high-rise considered to be one of the premier landmarks of Binondo where Chinatown is found, the Mandarin Square provides its residents with utmost comfort and convenience within this secured community. It further raised the bar of luxury in the district, changing the way Chinatown residents perceive and experience condominium living at its finest. POLOPLAST was the obvious choice for a project built with premier materials.

POLOPLAST PIPING SYSTEMS

A SAFE AND RELIABLE CHOICE FOR PIPING SYSTEMS

The reliable, safe, and corrosion-free transportation of water has been a core POLOPLAST competence for over 30 years.
