

Employee Benefits – Company Phone Plan

Dear Employees,

10/7/2020

We are pleased to announce that Y&L is now offering employees an opportunity to join our business account with T-Mobile for personal use!

The plan includes unlimited data, calling and texting in the US.

The plan is billed at a flat monthly rate of **\$30**

There is **no fee** for transferring your phone number from another T-Mobile account or even another carrier!

There is also no limit to the number of lines you can enroll in this plan, so you can get the whole family on-board for the same monthly fee!

T-Mobile also offers international calling to Mexico and other countries for an additional **\$15 / month**.

If you enroll in this plan, then the fee will be deducted from your check on a weekly basis. For example, if you enroll only one line for \$30 a month, then \$7.50 will be deducted from your paycheck every week etc.

There is an initial **\$30 deposit** required per line to enroll in this plan.

However, there are certain limitations to this offer:

- 1) You must have been employed at Y&L for at least 6 months.
- 2) If you want to add multiple lines, then you need to have been employed at Y&L for at least 12 consecutive months.
- 3) If you enroll in this plan and leave the employment of Y&L then any lines that you enrolled in will automatically be canceled 30 days after your employment end date. *If you would like to keep your number, then you need to give 30 days notice before leaving Y&L so we can port your number to your new carrier.*

For more information, or to enroll in this plan then please contact the Personnel Manager.

Sincerely,

Y&L Management
