

Urgent Care Hawaii
where amazing healthcare happens

OCCUPATIONAL MEDICINE WITH URGENT CARE HAWAII

Urgent Care Hawaii's Occupational Medicine Program is designed to reduce overhead costs while handling employee cases quickly, thoroughly, and professionally.

Convenience - Accessibility - Outstanding Service

Urgent Care Hawaii is staffed with physicians, nurse practitioners, and an experienced clinical team that have current knowledge of Workers' Compensation and Occupational Medicine. We accommodate individual customized company protocols; this includes faxing, emailing or calling to provide employers with work status immediately after employees are evaluated.

We deliver a new unique approach to Workers' Compensation with a focus on the efficient use of resources through collaborative and comprehensive care. We work in tandem with the employee, employer and payer to ensure that all services are delivered seamlessly.

"Urgent Care Hawaii clinics have been amazing to my staff and to myself. I am impressed with how quick and efficient the staff and services are. Urgent Care Hawaii is a gem and I recommend them to both my business and personal associates."

– Kozzie LeJay, HR Director/Payroll, Ka Punawai Ola
