

Catholic College Preparatory
School for Young Women

Position Description

Mercy High School in Farmington Hills has a need for a highly qualified Math teacher holding a current EX Michigan certification. This position includes teaching various math level courses, with a focus on Math Lab, Concepts of Algebra II and Geometry. Candidates from under-represented backgrounds are especially encouraged to apply.

Applying candidates should be able to demonstrate instructional practices that engage students and promote reasoning, problem solving and sense-making of new mathematical ideas.

Mercy is an Apple Distinguished school, and the preferred candidate will have the ability to support lessons through effective use of technology tools.

Qualifications/Requirements

All teachers in the Catholic Schools in the Archdiocese of Detroit shall be certified and /or approved for teaching by the Department of Education for the State of Michigan. All teachers are required to hold the appropriate endorsement for the subject(s) they are assigned to teach.

The selected candidate must hold an EX Math Certification, attend a Protecting God's Children workshop, and complete a background check with fingerprints. The Archdiocese of Detroit is an equal opportunity employer that does not illegally discriminate on the basis of race, color, religion, national origin, sex, age, disability, height, weight, genetic information, marital or other legally protected status.

[Mercy High School](#), a Catholic college preparatory school immersed in the tradition of the Sisters of Mercy, educates and inspires young women of diverse backgrounds to lead and serve with compassion.
