

# A park in the sky built by the community, for the community

## A Canadian First

### ST. THOMAS ELEVATED PARK

Also featuring 300 metres of gardens at the entrance, designed by members of the **St. Thomas Horticultural Society**. Fully accessible to those with mobility issues.

Featuring public art by local artists.

**The Elevated Park is a People-Place, made possible by YOU.**

Doug Tarry Homes  
**«END-TO-END»**  
Elevated Park Challenge

During our first phase, supporters have helped us raise over \$250,000 towards the purchase and upgrade of the MCR Bridge over Kettle Creek.

Now, **Doug Tarry Homes** has given us \$100,000 and challenges the community to raise the additional \$400,000 needed to complete this project from End to End.

Donate as a family, donate through an organization you belong to, donate through your own business or encourage your employer to donate on behalf of its employees.

**This is a community project!**

**Your contribution will make this a reality**

We've made it easy for you, your family, your group or your business to participate in the building of Canada's first Elevated Park.

**Donations at all levels qualify for a charitable tax receipt** issued through our partner, the Elgin St. Thomas Community Foundation.

**Donations of \$2,500 or more are commemorated by a permanent on-site plaque.**

**Donate online or download a form. All amounts welcome!**

Doug Tarry Homes
<<END-TO-END>>
Elevated Park Challenge

Supporting the Elevated Park is easy, and tax deductible

This is a community-based project; no government money has been received
To date, we have raised over \$250,000 for purchase and upgrade of the MCR Bridge over Kettle Creek.
Now, Doug Tarry Homes has donated \$100,000 and issued a challenge to our community to donate the
additional \$400,000 needed to complete our project, end to end, within a year.

- 1 Sponsor a section of the bridge deck. Your support will be recognized with an all metal plaque showing your family or company name. \$2,500
2 I wish to make a cash donation, in the amount specified, to be used for general costs associated with building the St. Thomas Elevated Park. Amounts of \$2,000 and over will be acknowledged on a special plaque at the Eastern entrance to the Elevated Park. \$

Please note: park bench sponsorships are currently unavailable. They may be offered again during future phases of park construction. Our primary need is cash to enable us to finish the basic structure of steel railings and wooden decking.

If you wish to discuss other options for supporting the Elevated Park, please contact us at the phone number or email listed below.

Please make cheques payable to the Elgin-St. Thomas Community Foundation/Elevated Park Fund. Mail this form and your cheque to the address below. We will contact you to confirm details of your sponsorship and your recognition. You will receive a charitable receipt directly from the Foundation. (The Foundation is a registered charity #86533 7109 RR0001)

Form with fields: Your name, Address, City, Postal Code, Home phone or mobile, Email

As part of its recognition of your sponsorship, we will announce your support on social media, our web site and on the special plaque to be installed at the entrance to the park. You may choose to remain anonymous.

I wish to remain anonymous
