

Due to popular demand, and an unpopular (but sadly common) problem, the PS130 PTA has organized three separate professional lice checks for all students this year. The first check occurred in November, and the remaining two checks will again be conducted by Shayna Brown and her team of clinicians on the following dates:

Lower School	Upper School
Jan. 31	Jan. 24
March 20	March 13

If you haven't already, please sign the permission form below. If you do not want your child's head checked, please indicate that.

- As per NYC DOE policy, only students with live head lice will be sent home. Students with live lice are not allowed back to school until they are lice-free. Students with only nits are allowed to remain in school, though it is strongly recommended that they receive treatment at home or with a professional. The DOE policy is here: <https://www.schools.nyc.gov/school-life/health-and-wellness/staying-healthy/head-lice>

- The PTA paid for the lice checks** and we are asking anyone who can to **donate \$6 per head** to help defray the cost of the remaining 2 lice checks. Please consider donating more to offset PTA costs for those who are unable to contribute. You can donate via:

- **paypal on the PTA website** <http://ps130pta.org/lice-check>; or
- cash/check in an envelope submitted to the locked PTA mailbox at the lower or upper school; or
- cash/check in an envelope with the form below (if you did not submit for prior check) in your child's red folder.

Regardless of payment preference, please complete the form below ***if you haven't already*** and return with your child to school.

Student's name: _____ Class: _____

___ Yes. I grant permission for my child to be checked for lice.

___ No. I do not want my child's checked for lice

Money enclosed: \$ _____

Parent/Guardian Signature: _____
