 Cowansville

Thank you to all our volunteers

National Volunteer Week is all the more significant this year as circumstances have led each of us to lean on one another even more. I would like to give a warm thank you for your involvement in our community. In this time of pandemic, your support is needed more than ever. The word community takes on its full meaning when kind-hearted people like yourselves get involved. Cowansville is said to be a town filled with human warmth. This is not hard to believe when counting all the acts of compassion and generosity that are carried out here at home. Once again, I and my colleagues on the municipal council. THANK YOU!
