

**BLOCKSENTRY**

THE BLOCKCHAIN TAX & ACCOUNTING INFRASTRUCTURE OF THE  
FUTURE

# Mission

Reduce blockchain regulatory, tax and accounting friction & accelerate the growth of financial applications.

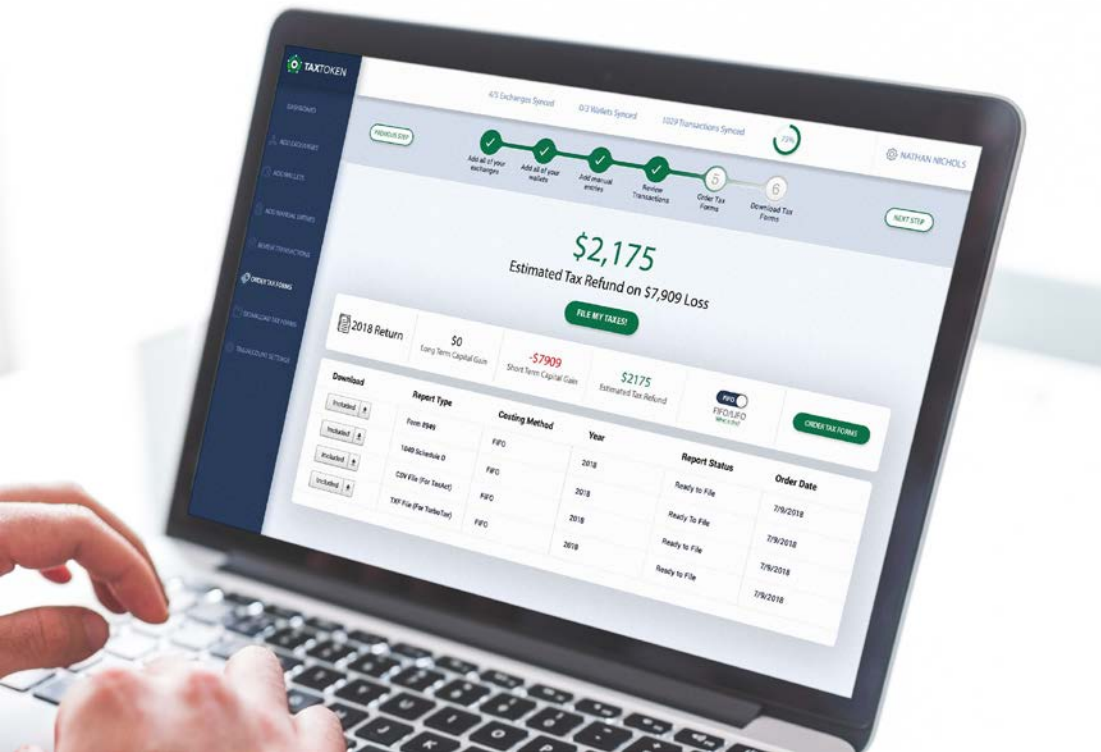

## **BlockSentry** will provide:

Cryptocurrency exchanges & investors with a tax & reporting solution.

Traditional businesses with blockchain tax, accounting & payroll tools.

Governments with a mechanism to protect cryptocurrency markets & increase tax revenue.

# BlockSentry is...

## 1 Robust

BlockSentry can handle thousands of trades and unique taxable events that occur in blockchain's complex decentralized ecosystem.

## 2 Accurate

BlockSentry automatically recognizes transactions and alerts users to data discrepancies.

## 3 Easy to Use

BlockSentry's elegant user interface guides users every step of the way.
