## **Children's House Co-Lead Montessori Guide**

### **Planting the Seeds for Life**

At Garden of Hope Montessori, we will strive to create an environment for children ages 2 1/2 – 6 years, in accordance with the Association Montessori Internationale (AMI), that fosters independence, confidence, and social character. Our hope is for your children to possess a life-long love of learning and become capable, contributing members of their communities, realizing that they have a voice and can make a difference in this world.

Garden of Hope offers Montessori half and full day programs during the school year and summer. Garden of Hope was established in 2000 in White Bear Lake.
