Dear Arbor Families,

Members of The Arbor board and I have been actively reviewing the latest information on the coronavirus outbreak.

Taking into consideration the evolving landscape of state and local recommendations, concerns expressed by Arbor families, and increased absences:

Arbor classes will be cancelled for the week of March 16th.

Beginning the week of March 23rd, classes will resume at their usual day and time in an online format. Additional information will be forthcoming about this new format. Students in some classes may need to stop by The Arbor to pick up supplies.

We will keep our community informed as to when in-person classes will resume and when classes from the week of March 13th will be made up.

Please also note that the Spring Open House is being postponed to May.

Our priority is the health of our community and the continuity of learning for our students. I am grateful for our teachers' brainstorming and extra efforts to ensure that learning opportunities can continue for all of our students in this season, and I appreciate your patience as we try out new things and adapt to the needs of our community.

Thank you,

Kim Megyesi, Director
