

Combining over 25 years experience in the beauty industry with exceptional skincare products, Bare Necessities offers personalised treatments within a clean, warm and friendly atmosphere. Take the time out to rejuvenate and refresh.

Crystal Clear COMCIT™ Facials

COMCIT™ takes skin rejuvenation to the next level. This age defying treatment uses Oxygen and Micro-channelling along with a Rejuvenation Infusion to stimulate new collagen production. Lines and wrinkles are significantly reduced and the skin's texture and firmness greatly improved. A painless treatment with no downtime, giving instant and exceptional results! This treatment is recommended every 2 weeks, followed by 6 to 8 weeks maintenance.

Waxing

The wax is vegan and hyperallergenic. This peelable wax offers a superior waxing experience due to the wax shrink wrapping to the hairs and not the skin, making it perfect for intimate and more sensitive areas. Vegan friendly skincare products are used to heal and soothe common complaints such as irritation, pimples and ingrowing hairs.
