# CHARITABLE LENDING NEWSLETTER

September 2017

## THIS SEPTEMBER WE'RE HIGHLIGHTING OUR LENDING EFFORTS ON AN ENTREPRENEUR IN TURKEY

### **Ebru in Turkey**

Ebru is 43 years old, married and a mother of two. She has been working as a tailor for many years. She sews clothes upon request and also does repairs. Fortunately, Ebru has many regular customers because she consistently works hard and ensures she produces quality clothes. She is requesting a loan of \$425 USD to purchase a brand new sewing machine to increase her productivity.

### **About Ebru's Region in the Middle East**

Situated directly between the continents of Europe and Asia, Turkey's location gives it major influence in the region, particularly with complete control over the entrance to the Black Sea. A longstanding ambition for the country is to join the European Union.
