

CHARITABLE LENDING NEWSLETTER

April 2017

THIS MONTH, WE'RE HIGHLIGHTING OUR CHARITABLE LENDING EFFORTS ON AN ENTREPRENEUR IN TURKEY

Zuhul From Turkey

Zuhul is 38 years old, married, and a mother of three. In order to make a contribution to the family budget she has been selling nutritional support products (Herbalife) for four years at home. First she used them herself and was very satisfied, so she started selling and making money. She is selling to her friends, neighbors, and to her regular customers. She's requesting a loan of \$275 USD and wants to make more money in order to ensure her children receive the best education.

About Zuhal's Region...

Although Turkey is among one of the most developed countries in the world, Turkish economic growth has slowed down quite a bit in recent years. In 2016 the Turkish Lira lost 20% of its value against the dollar. We made this loan to Zuhal this month without prejudice towards any religious or political stance in the Middle Eastern region, but rather focused on helping people like Zuhal support her family and community.
