March 2018

THIS MARCH, IN HONOR OF INTERNATIONAL WOMEN'S DAY ON MARCH 8TH, WE'RE HIGHLIGHTING OUR CHARITABLE LENDING EFFORTS ON...

...WOMEN AROUND THE WORLD!

Here at Cascade Investment Advisors, we support women around the world starting businesses, going to school, leading their communities and building strong families. We know that on average women reinvest 80% of their income in the well-being of their children, and their communities.

That's why this month, in honor of International Women's Day, we made six loans to women all over the world including Pauline from Kenya, Geraldin from Colombia, and Maria Elena from El Salvador. Will you join us?
