November 2019

THIS MONTH WE'RE FOCUSING OUR CHARITABLE LENDING EFFORTS ON A GROUP IN PARAGUAY

Mujeres Emprendedoras De Bouvier Group

The group, Enterprising Women of Bouvier, was formed with the objective of all helping one another to have a better quality of life. They are hardworking, humble women who fight for a better quality of life so that their loved ones don't lack for anything. Together, they run a jewelry shop in their community. The leader Fidelina is heavily focused on sales and is known in the local area as extremely driven and entrepreneurial. Fedina hopes to continue helping her family with basic living expenses. The group is requesting \$3,375 to purchase more jewelry for the shop.

Empowering Women

We're proud to help fund this loan that helps empower women in rural Paraguay.

The loan partner believes in offering microfinance services to impoverished micro-entrepreneurs, primarily women, all while investing in order to become financially independent.

You, too, can join us in empowering women and men all over the world by visiting Kiva.org, where you can send a microloan for as little as \$25.00. We welcome your support!
