AUGUST-SEPTEMBER 2013

Make a Difference

Do you want to make a difference in your own life and the lives of others? Do you have a few hours to help neighbors in your community?

Known for such programs as van transportation, medical transportation, mobile meals, minor home repairs, grocery shopping, friendly visiting and respite care, the Foothills Caring Corps always has a need for additional volunteers. According to executive director, Debbra Determan, "the organization simply could not exist without volunteers like the ones who donated 41,000 hours of service to the organization in 2012-2013". Little known programs and two new programs include: Care Alert, business and computer assistance, friendly pet visiting and medical equipment loan closet. Give us a call and let us know if you are interested in any of these programs as we can always use volunteers in every program. 480.488.1105.

The Foothills Caring Corps strives to provide a rewarding and gratifying experience for both the volunteer and the neighbor. Volunteers are given training, guidance and monitoring to ensure a quality experience. They are allowed to self-select areas in which they would like to be involved and are not required to contribute a minimum number of hours. Collaborative partnerships with other community organizations and participating congregations allow us to provide informative seminars and classes which cover a variety of subjects for both volunteers and neighbors.

Foothills Caring Corps welcomes you to become involved at any time. Volunteer Orientation sessions are conducted monthly, on the second Thursday of each month. The next sessions are scheduled for Thursday, September 12 and Thursday, October 10 from 9 – 11 a.m.

at the Foothills Caring Corps Annex located at 11 Sundial Circle in Carefree. RSVP is recommended. 480.488.1105.

"There is no time like the present. We encourage you to become involved and make a difference in your community. Whether you prefer to attend a Volunteer Orientation session or call us directly for information, we encourage you to take the first step to make a difference in someone's life," said executive director, Debbra Determan.
