Plymouth Swim Club is owned by it's members. By buying a bond you become a part owner of Plymouth Swim Club. Bondholders are able to hold elected positions on the board and vote on issues presented to the Club. Bondholders save money too! Plymouth Swim Club charges non-bondholders a premium to join. A typical family membership will pay the bond amount in non-bond fees in less than five years. There are limited amounts of bonds available. Don't wait until they are all gone...
