

COVID-19 POLICY (as of June 30, 2021)

To maintain healthy operations and prevent the spread of COVID-19, the club has instituted the following policies:

Admission to the club:

- Members must check in upon arrival at the **designated entrance area only**.
- Anyone that has tested positive, or been in contact with an individual that has tested positive for COVID-19, shall not be admitted to the club for 10 days. Anyone feeling ill for any reason should not come to the club.
- Guest passes will be accepted this year. Guests are expected to abide by all rules of the facility.

Maintaining a healthy facility:

- **Hand Hygiene** - Hand sanitizer will be available for use in the lobby and snack bar. Proper hand-washing instructions will be posted in the restrooms.
- **Masks** – It is recommended that unvaccinated members and guests wear face masks within the indoor club facilities and/or when safe social distancing cannot be maintained. Face masks should not be worn in the swimming pools

- **Preventing contamination** –

- The hands-free water bottle filler function of the water fountain may be used. Under no circumstances should water bottles touch the water dispensary area.
- Pool toys (including noodles and floats) will be permitted, but should be used only by the owner of the item. It is recommended that pool toys not be shared with someone who does not live with the owner of the toy.
- Members must bring their own floatation devices
- Members may store their chairs/pool toys at the club in the designated areas at their own risk.

- **Playground** - Members are responsible for supervising their children and maintaining social distancing while using the playground equipment. It is recommended that masks be worn by anyone over the age of 2 and unvaccinated while using the playground equipment.

- **Snack Bar** –

- Use the marked entrance and exit for the snack bar to ensure one-way flow of people.
- There will be one ordering window and one food pick up window.
- Minimal indoor seating is available.
- Masks are recommended for unvaccinated members and guests in the Snack Bar.

- **Camp** – Camp participants will be rotating through the property in supervised small groups.

Members and staff are expected to comply with all rules and policies provided in this document and posted throughout the club. Parents are responsible for educating their children regarding social distancing. All members are expected to comply with social distancing guidelines on the grounds and in the pool, which includes not gathering around pool entry and exit areas. The management reserves the right to refuse admission to, or eject, persons who do not comply with these measures.

Policies may change as statewide guidelines are relaxed or imposed.
