

Rieck Services Acquires T.J. Dyer Service Division *Continues Plumbing Services to Cincinnati Market*

Rieck Services, southwest Ohio's full-service mechanical contractor, recently acquired the service division of T. J. Dyer Company. With more than 200 employees, Rieck Services remains an area leader, providing high quality HVAC and plumbing services to commercial, industrial, institutional and educational facilities.

What does this mean to you? With one of the largest maintenance staffs in the southwest Ohio region, our team has unique expertise in performing maintenance, installations, repairs, and retrofits for your HVAC and plumbing systems. You have the backing of a single-source service provider with professional, highly skilled technicians. Our service team of 60+ technicians and plumbers allows us to customize programs tailored to your system's specific needs and respond to emergencies in a timely manner.

Placing A Service Call

Rieck Services provides 24-hour, seven-day-per-week emergency HVAC and

plumbing services. We are dedicated to making communications with our customers as efficient and reliable as possible and have an after-hour emergency service help line to assist you.
