Transmittals not received by the cutoff date may not prevent a subsequent renewal notice from being delivered at or around the renewal date.

Please note, renewals transmitted and received by the cutoff (which is also a National Target Date) will be updated prior to printing renewal notices, assuming they can be successfully scanned. Membership that must be hand-keyed (new members and renewals that can't be scanned) will take longer to process. Please transmit as early and as often as possible in advance of the Target Dates to help avoid delays in processing.
