4. This narrative report form is NOT to be attached to the Consolidated Post Report. It is intended for the use of the Department Children & Youth Chairman in determining Post Children and Youth Awards and for substantiating to National Headquarters that your Department has attained 100% Children and Youth Post narrative reporting.
5. In order to make your total report more effective, it is recommended that you make appropriate copies of this form and maintain one in your file, mail one to the District and also mail one to your Department Children and Youth Chairman.

To the Department Children & Youth Chairman:

1. This narrative report form should be very helpful to you in determining winners of various Children and Youth reporting award and citations.
2. This form is for use within your Department and should only be forwarded to National Headquarters to substantiate 100% Post narrative reporting, do not forward these forms to National Headquarters.
3. It may be helpful to see the Consolidated Post Report form for each narrative received. Together, they should give you a very accurate picture of each Post's particular Children and Youth Program.
4. Each question has been designated by a letter. The Department Chairman's reporting sheet references the same letters. It will be your job to transfer all information from the narrative form to the Children and Youth reporting sheet.
5. If you receive an outstanding narrative report and wish to share it with the National Staff, we encourage this type of report.
6. For the purpose of 100% narrative reporting awards, National Headquarters will recognize this form. The decision to recognize this form in no way removes the responsibility of Posts for submitting the Consolidated Post Report form. As the chairman of the major program within your Department, you should heartily encourage that Posts file the CPR.
7. In order to have a more complete feedback to your Districts, you may wish to compile separate reports concerning these narratives at the District level and mail those figures to the appropriate Children and Youth officers.
