Commanders Message:

I hope everyone and their families are staying safe during these trying times. I believe that we will get back to some type of normalcy soon.

I want to congratulate all the squadrons who have achieved their 100% membership goal this year. Saying that, our Detachment has reached the S.A.L. National Commanders goal of 105% way before the due date which is the end of July. Please give yourself a big pat on the back for accomplishing this. It takes a lot of hard work and enthusiasm to renew and attract new members but, all of you have made this Detachment shine. We are ranked number eight out of the fifty-five active Detachments with our membership. Great work by all.

We have recently established a Facebook page. If you have not already joined, please do so. Our Detachment Adjutant has posted several helpful items regarding the S.A.L. Our recent Squadron Training and DEC Virtual Meeting were streamed live. If you have not already done so, please watch the meetings. There is important information that would benefit each squadron.

Hopefully, the membership cards will be in by mid-July or early August. Once they arrive, we will assemble a packet for each squadron with important documents that need to be filled out and sent in along with the membership cards. I will advise everyone when complete on how these packets will be sent to you. Just a reminder our dues have increased this year with the 2021 cards. Total per member will be $12.00. This is due to National increasing their dues which have not been done since 1982. If you renew membership online (mysal.org) it will automatically be deducted.

We are still awaiting to see if there will be a Fall Conference, scheduled right now for October. I am looking for Detachment Americanism Committee Chairman, Detachment Community Service Committee Chairman and Division Commanders for each division to help this year. This won’t take much of your time so, if interested please contact me and I will fill you in on what is needed.

Finally, I am very proud of this Detachment and how we have all worked together this year with everything that has been going on in the world. We have stuck together and continue to assist with veteran programs and conduct “Buddy Checks” to assure that all are fine and helping them whenever needed.

I have seen firsthand on what many squadrons are doing for veterans. This is what the S.A.L. is all about. Thank You!!

Please stay safe so, we can all come together again and enjoy the comradery of each other.

As always, if you need anything please feel free to contact me either by phone or email.
During this worldwide pandemic that is gripping the nation please take care of yourself and those around you. Stay Safe!!

For God & Country!!

2nd Vice Commanders Message:

From Steve Laws 2nd Vice Commander Sons of The American Legion:

Since about everybody has been shut down there has not been much going on for the last 4 months with Boys State, Jr Shooting Sports, and our own State Convention being Cancelled. I would like to thank all the Squadrons that sent in your CSR reports. We will be judging them for Squadron of the Year in the next couple of weeks and the winners will be announced by E-mail and on Facebook and the Plaques will be handed out during our next Detachment Conference.

With the start of a new year for the Child Welfare Fund please get your donations into Terry Chatfield. Also, we had planned to have a class on the 5 Point and Ten Ideals program at Conference but looks like that will not happen, hopefully this will happen at the Spring Conference next February. I would like to thank our Detachment Adjutant for the work he has been doing in getting information out to our Squadrons. Just as a reminder that our purpose is our Service to our Veterans and our help to our Legion Post.

For God and Country
Steve Laws
2nd Vice Commander

Adjutant’s Message:

With the ending of the 2020 membership year we have seen many different changes. We were part of a historic year, where for the first time in Legion history our National Leadership will stay in place for a second term. We have seen our Legion Family pull together to combat COVID-19 in their local communities. As a Detachment we have witnessed Post / Squadron closures and virtual / tele conferences in place of regular meetings. And lately we have faced riots breaking out in our towns. As your Detachment Adjutant, I am proud to see how our membership has stepped up to overcome these challenges. Please keep up this excellent momentum in the years to come. Just as a reminder, dues increased to $12 ($7 to state, $5 to national).

Child Welfare Fund Committee:

Our Child Welfare Fund Chairman Terry Chatfield has discussed a way to boost the funds going into the Child Welfare Foundation. We are the biggest contributor to this fund. 100% CWF Banners will be presented to all squadrons who donate at least $1.00 per squadron member to the fund. We believe that it is a great idea and strongly support it. If you have any questions or want to mail your donation in please contact Terry at terry_chatfield@bellsouth.net.

News from The Squadrons

From Squadron 503
Calabash, North Carolina

On Saturday May 30th, 2020, Calabash NC, American Legion Post 503 with other Legion Family members, Sons of the American Legion Squadron 503 and Auxiliary 503, gathered in the recommended small number for a Traditional Memorial Day Ceremony. This remembrance dates back to 1868; three years after the Civil War ended and was known at that time as Decoration Day. Citizens would assemble to place flowers to decorate the graves of all Veterans who made the ultimate sacrifice for our Nation. The name Memorial Day came into existence in 1971; and was designated as a Federal Holiday.

On June 13th, 2020, Due to COVID-19 we held our Detachment Executive Committee Meeting via video conferencing. Which was recorded and placed on our Facebook Page. During this meeting we elected Commander Donald Carr from Squadron 65, as our new Detachment Sergeant – at – Arms. We also announced a list of awards that are listed below. We also reminded everyone that member dues to State and National will increase.

Our S.A.L. got a pallet of water for our VA Hospital and donated and delivered. They needed water for the Veterans’ waiting on procedures and do not have a budget for it. So, we made a commitment and we voted to help. They were so thankful at the VA in Asheville, NC. It was awesome to see our S.A.L. efforts directly helping our veterans it is what we are all about.

A special thanks to Bob Scruggs American Legion Service Officer and Assistant Adjutant for his help with Sam Brinkley S.A.L. Commander in making this happen.

HONOR VETERANS BY FLAGGING GRAVES
MEMORIAL DAY

On May 23, Squadron 82 of Shelby honored more than eleven hundred veterans by flagging their graves at three city cemeteries and assisting at a fourth cemetery in the county.

Over 80 volunteers from the American Legion Family, Shelby High athletes, Boy Scouts, and Masons helped to place flags on veterans graves at Sunset Cemetery. The event started with a ceremony that included Stan Anthony, Mayor of Shelby and an S.A.L. member, shared why he felt it was important to honor veterans. He told about his father’s time in the service and why he was part of S.A.L. A combined color guard from veterans organizations and a rifle squad gave a rifle salute and Taps was played. The volunteers were in groups of no more than ten and were able to maintain social distancing and still have individuals place flags in each section of Sunset Cemetery that had 800 veterans’ graves.

Squadron Commander Dr. Jack Weller asked that as each person placed the flag at the footstone of the veteran, read their name, branch of service, and what war they may have fought in and then say a prayer thanking them for their service.

The same ceremony was repeated at Webb Memorial Cemetery for over 300 veterans’ graves. At this ceremony, State Senator, Ted Alexander, also an S.A.L. member, shared how his family has a history of serving their country. The rifle salute and taps were played and then more than thirty volunteers flagged graves.

We do not know them all, but we owe them all for our freedoms.

Squadron 82 Commander Jack Weller welcomes volunteers to ceremony to honor veterans. (l to r) Post 82 Commander Jim Quinlan, S.A.L. Chaplain Roger Cox, Weller, and Past State Commander Evan Thompson, who sang the National Anthem.

Squadron Historian, Zack Parker distributes the number of flags that Jeff Fitzgerald will need for the section of the cemetery that he was assigned.
Squadron 1st Vice Commander Woody Weaver and Honor Guard Captain Bob Bunta, Post 82 member, salute the grave of a veteran.

State Senator Ted Alexander, S.A.L. member, shared his family’s story of service to our nation over four generations and then joined volunteers to place flags on the graves of over 300 veterans at Webb Memorial Cemetery.

Boy Scouts from three different troops in Cleveland County helped to place the flags and then returned two weeks later to help remove the flags. Scouts from Troop 100 came and flagged the oldest part of Sunset Cemetery. (l to r) Scouts Brett Morgan, Bly Borders, kneeling, and Boone Weise.

Shelby Legion Family Flag Day Celebration and Flag Retirement Ceremony

The combined Veterans Organizations Color Guard presented the flags to the three officers for retirement. David Rose, Sargent of Arms for Post
82, was honored that his grandson, S.A.L. Member Cy Cook, participated in the ceremony as a member of the Color Guard. Under the direction of Bob Bunta, Color Guard and Rifle Squad Commander, a rifle salute was given and then Taps played to end the retirement ceremony.

Members of American Legion Post 82, Squadron 82, Unit 82 Auxiliary, and Legion Riders all participated in the flag retirement ceremony.

Buddy Checks

With the coronavirus (COVID-19) pandemic that is affecting us all, the Buddy Check program is perhaps more important now than ever before. The idea is to connect with veterans who may need assistance but don’t know where to go or who to ask.

The American Legion Family already reaches out to fellow Legionnaires at this time of year but now we must do more. It’s not enough to simply pick up the phone and call the veterans you know. We need to check on ALL VETERANS in each of our communities to be sure they are safe, feeling OK and have access to health care and services. If we hear of someone in need, we can offer someone a ride, deliver groceries, or supplies and, in short, be there for them.

The important part is to let the veterans in your community know you care and can provide assistance. It is what we do for our battle buddies.
