

# Doing Life: Trauma and Addiction

What lies underneath Opioid Addiction, Criminal Behavior and Recovery in Adult Corrections?

**Understanding the current relevance of Adversity in Childhood (trauma) to adults involved in the Criminal Justice System overall can be a challenge for any professional. Yet this information is critical to understanding violence, addiction, and most importantly the path to recovery.**

**For the first time, Dr. Allison Jackson and Troy Kennedy will offer the “*Doing Life*” program.**

## **Participants will learn:**

- to better recognize your personal emotions and triggers using Rising Strong™ Curriculum based techniques
- to acquire new trauma responsive behavior approaches
- discover powerful therapeutic intervention strategies for all levels of professionals
- interactive training sessions
