CARE Certification Scholarship Application

The CARE Certification Program is now offering scholarships for a single course or the full five course program.

Please answer the following questions thoroughly in order to apply for a scholarship.

Scholarship awards range from 10% to 100%, and applications are generally processed from three to five business days. Scholarships awards expire 90 days after issue, with a new scholarship application required to re-apply for a course or the CARE certification program.

Answer the following questions, although there is no application length restrictions, please be thorough in your answers, as the responses are used to assess and determine scholarship award amount.

1. What is your Occupation:
2. How did you learn about ACEs, Trauma Informed and Resilience?
3. How has the information/knowledge about ACEs, Trauma Informed and Resilience improved your life?
4. How will you use the C.A.R.E. Certification Program to help others in your community? Tell us about your community.

Please email your application to Amy.CARE.Certification@gmail.com for processing. Scholarships are normally processed in 3-7 business days.

Thank you,
