6. Create a user ID

The screenshot shows a web browser window titled "BBSI - Employment Services". The main heading is "Let's create your personal User ID and Password." Below this, a paragraph explains that for security, a personal User ID should be created, which will be used for future access and should not contain the password. It instructs the user to click "Check Status" to confirm the User ID is available. There is a red asterisk next to the "User ID" label. A text input field is present with a vertical cursor. Below the input field, a red error message reads "Please enter User ID." A blue button labeled "Check Status" is positioned to the right of the input field.

7. Create a new password if it asks for you to update it

8. If you are on a private device, you can select to remember this device

The screenshot shows a web browser window titled "BBSI - Employment Services". At the top center is a purple circular icon containing a computer monitor. Below the icon is the heading "Use this device often?" followed by the question: "To make logging in easier for future visits, would you like us to remember your device?". There are two radio button options. The first option, "Yes, Remember this device", is selected and includes the text "I plan on using this device to access my account in the future." and a green "RECOMMENDED" badge. The second option, "No, Do not remember this device", is unselected and includes the text "This is a public device (a library computer, for example) or one I don't plan on using often to access my account." At the bottom center is a blue button labeled "Continue >".

9. Your forms should show on your Dashboard (If not, follow the below steps)

Note: You should be able to retrieve your 2019 W-2 electronically by January 17, 2020.

The screenshot shows the BBSI Dashboard with a sidebar menu on the left containing: Home, Tax Forms, My Account, WebManager, and Help Center. The main content area is titled "RECENT TAX FORMS" and displays two tax forms for the year 2017:

Form Type	Year	Form ID	EIN	Posted Date	Actions
