Community

San Diego County is California's 2nd largest county and has a population of over 1.3 million. Southern California is known for its mild year-round climate and beautiful beaches.

Escondido is located 30 miles from the center city in one of the county's oldest communities. Balboa School is located near the downtown area of Escondido with close proximity to The Escondido Center for the Arts, and City Hall.

School

Balboa School is a private school serving students in grades K-12 with a focus on college-preparatory education. The school is accredited by the Western Association of Schools and Colleges (WASC) as well as AdvancEd, is a member of The College Board, and certified by the NCAA. Balboa School has a very diverse population, attracting students from all over the world. Currently, 35% of the school population is international and 65% are domestic.

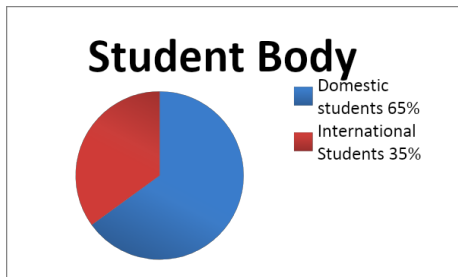

Academics

The academic program at Balboa School is driven by the highest possible learning expectations for students. Our proficiency-based learning and graduation policies ensure that all students leave as highly literate and skilled graduates. During their high school career, students have access to multiple AP courses such as: Physics, Statistics, Calculus AB/BC, English, Spanish and Chinese. Most students take 3-4 AP Courses during their high school career here at Balboa School. A year-long, interdisciplinary Capstone project for Seniors culminates the secondary school experience. All learning experiences are academically rigorous and intended to prepare students for success in college, career, and civic life. Balboa School also offers ESL assessment and layered ESL support courses for international students who do not already have a high level of English proficiency.

College Counseling

Students receive an individualized, comprehensive approach to college counseling throughout their high school years. Based on their interests and skill set, counselors guide students in researching careers and choosing a college major that is right for them. Each student at Balboa School, receives an account with Naviance, a comprehensive college and career readiness solution for middle and high schools that helps align student strengths and interests to post-secondary goals, and improve student outcome.
