

To Whom It May Concern:

Please consider this letter as a compliment to Mr, Gedalia Vinokurov's work and knowledge of architecture. His experience in the field is beyond comparison, ranging from restoration projects, to commercial and residential buildings.

We've had the pleasure of working with Mr. Vinokurov closely and have seen his expertise and attention to detail, first hand. His attention to detail is evident in every one of his projects, where he is ever present, listening to clients' ideas, offering support and catering to every whim.

Working with Mr. Vinokurov is, and always has been, a pleasure. We would recommend him to anyone who is in search of a capable architect and interior specialist.
