Synonyms- empathy for, rapport with, accord with, harmony with, relationship with, bond with, fellow feeling for, closeness with/to, understanding of/for.

Markham, ON— October 31, 2013 — Since 1999 Global Credit & Collection and Global International have provided Fortune 500 companies with superior performance and brand protection in the Accounts Receivable Management space.

Building on this success, for the past 24 months we have expanded our customer management service offerings to support growing organizations by delivering best in class customer care solutions including: chat, technology support, social media management, and business to business sales.

While our business has evolved, our underlying mission to connect people with solutions remains the same.

We are Affinity Global.

About Affinity Global

One of North America's leading providers of multi-national customer management solutions specializing in customer contact, first party receivable management and third party recoveries. Affinity Global helps Fortune 500 companies create profitable, sustainable connections with their customers.

We leverage the latest technologies, Customer Operations Performance Centre Inc. (COPC) operational methodology, and more than 15 years of experience to deliver superior results to businesses.

We connect people- our customers to their customers daily. We do so with an unsurpassed passion for performance and an unwavering commitment to results.

With offices in Canada, the U.S., U.K. and Panama, Affinity Global employs over 1,200 people worldwide.
