### FIRST AID PERMISSION FORM

According to Diocesan Policy we may administer the following topical meds to your child, with your permission. The attached form will need to be filled out and returned to the school in order for your child to receive these meds. It will no longer be necessary to send individual bottles of acetaminophen or ibuprofen to school if you return the completed form. All other meds for your student must be brought to school by the parent in the original container; prescription meds must also come with doctor's orders for administration.

Mary Carrico Catholic School has permission to administer the following items to my child(ren) named below:
