

MARCH BREAK BREAKDOWN:

March 12-20, 2020

- LED Lighting throughout the week: removing current fixtures, and replacing with new fixtures/bulbs
- Paint in Commons, foyer and all Hallways.
- Whiteboards are replacing all classroom chalkboards. Volunteers needed to remove chalkboards and install whiteboards. (day or evening – will work around volunteers schedule to get these done)
- Replace foyer display with new wood trims and TV. Refinish wood accent wall in foyer.
- Commons Reno:

Before the Break: Clear out library/computer lab. Sell old furniture, shelving, tables, etc.

Thursday after school til as late as volunteers would like to stay!: Start demolition of walls, door and window openings, flooring.

Friday: Finish demo, cleanup. Framing, install doors/windows, smooth and patch floor. Move ductwork/lights/electrical.

Saturday: Finish up electrical, Drywall board and tape (maybe a crew to start whiteboards?)

Monday: Drywall mud, prep wood counters

Tuesday: Finish mudding/sanding, do any trim work, Maybe Paint!?

Wednesday: Paint. Start Flooring

Thursday: Flooring

Friday: Flooring, install counters, finish electrical.

Saturday: Buffer day if we run behind. CLEANUP before kids get back!

All shelving and furniture will be done the following week, when kids are back in school.

This schedule is a guideline and will likely change as we go. If you would like to volunteer for a specific job, please email, call or text:

info@robinsoncarpentry.ca

Nic – 613-921-8443

Meagan – 613-243-3322

We have some help, but extra volunteer hands will reduce our expenses.

Just let us know if/when you can help so we can schedule and plan for it.

You can help with demolition, cleanups, assisting electricians throughout the week (helping them with recycling/moving furniture out of the way/bringing them new fixtures), installing flooring (training will be provided), preparing coffee/food, or anything on the list that you would enjoy being a part of!

THANKYOU again for all your support! Parents, Staff, and Students are all very excited to make some progress on our Next 20 Project.
