5. The Flower Show Chairman and the Classification Chairman must be available during all judging for possible consultations.
6. The Classification Chairman must review all entries for proper identification and conformity to the schedule.
7. The decision of the judges is final. Awards may be withheld if not merited.
8. There must be an emphasis on fresh plant material, but dried plant material is acceptable.
9. No artificial plant material will be allowed in any division.
10. All exhibits in competition must be the work of one individual.

Awards

The NGC Standard System of Awards. (Used for judging all classes.)

Only one first place (blue) ribbon per class. Must score 90 or above.

Only one second place (red) ribbon per class. Must score 85 or above.

Only one third place (white) ribbon per class. Must score 80 or above.

One or more honorable mention (green) ribbons as merited. Must score 75 or above.

Judges will write 90+ on the entry cards of exhibits that do not win a blue ribbon if merited.

Two Best-in-Show Awards will be offered, one in the Horticulture Division and one in the Design Division. The winning exhibits must be blue ribbon winners scoring 90 or above. The winning horticulture specimen must be correctly named according to schedule specifications.

Five groups of exhibitors will be divided as follows:

Preschool – youth under 7

Junior – youth 7-12

Adult Novice – youth over 12 and adult exhibitors who have won fewer than 6 blue ribbons at fairs and flower shows

Adult Intermediate- youth and adult exhibitors who have won 6-12 blue ribbons

Adult Advanced – youth and adults who have won more than 12 blue ribbons.

Horticulture Rules

1. All plant material must be fresh and have been grown by the exhibitor.
2. Exhibits must have been in the possession of the exhibitor for no fewer than 90 days.
Exception: plants grown by the exhibitor from seed/seedling or immature transplants to flower.
3. Plant material may not be altered by the application (treatment) of oil, commercial “shine” products, etc. that artificially change the natural color and texture.
4. All specimens should be correctly labeled with scientific (botanical) names or the currently accepted scientific identification for their educational value. Common name may also be given.
5. An exhibitor may make more than one entry per class if each entry is a different species, variety, cultivar, type or color.
6. Cut specimens will be displayed in clear transparent bottles (provided by show committee). Cut specimens should not have foliage below the water line.
7. Wedging, or inserting a small, inconspicuous “plug” in the neck of a container to improve the pose of the specimen, is permitted. Wedging may be visible but must not detract from the cut specimen.
8. Double potting is permitted, but the inner pot must not be visible.
9. The Classification Chairman has the authority to subdivide classes as necessary.
