future without you*

# Pet Guardian Program

## Preparing for your pets future without you

All too often, when people die unexpectedly, their beloved dogs and cats end up being a burden on someone else.

Many people just assume that if something happens to them, a friend or relative will step up and take care of Spot or Fluffy, but that is not always the case. Because pets usually have shorter life spans than their human caregivers, you may have planned for your animal friend's passing, but what if you are the one who becomes ill or incapacitated, or who dies first?

To ensure that your beloved pet will continue to receive care should something unexpected happen to you, it's critical to plan ahead.

Amici Cannis Animal Hospital is here to help you prepare.

# Steps To Take Now

## To prepare for the unexpected

1. Find a responsible friend who will agree to serve as temporary emergency caregivers in the event that something unexpected should happen to you. Provide them with feeding and care instructions; the name of your veterinarian; and information about the permanent care provisions you have made for your pet.
2. Add the "Pet Guardian Form" to your personal Health Chapter folder to ensure your neighbors, friends, and relatives know how many pets you have and the name and contact number of the individual who has agreed to serve as an emergency caregiver.
3. Carry a wallet "alert card" that lists the names and phone numbers of your emergency pet caregivers.

# How ACAH Can Help

## With our Pet Guardian Program

Amici Cannis Animal Hospital has created a "Pet Guardian Program" in order to help you be better prepared should this situation arise.

The "Pet Guardian Form" consists of your Emergency Caregiver and Permanent Caregiver information as well as a Legal Declaration permitting a new guardianship.

Amici Cannis Animal Hospital has also created a "Pet Trust Account" which will allow you to pre-pay an account for 1, 2 or 3 years of veterinary care service at Amici Cannis Animal Hospital if you pet should remain with a resident here in Coatacahi.

This Pet Trust Account will include (Per Year):

- 1 Wellness exam
- Annual Vaccinations
- 1 Dental cleaning
- 1 Emergency visit

By prepaying into this Pet Trust Account you will ensure that your pet's caregiver will have no financial burden caused by adopting your pet, if something should happen to you.
