Accessible Parking

Park in the rear of the building and enter the Front Studio on Wealthy Street, NOT the main theatre entrance.

Visit the ticket table and speak with a staff member about any sensory needs you have. Sensory tools are available for guests to use in the studio. Restrooms can be found to the right of check-in.

Enter the studio & make yourself comfortable. This is a safe space for sitting, standing, wandering and coming and going as you need to. This is meant to be a more calm, quiet space where guests can enjoy a live screening of the event on screens in the studio. Volume will be kept at a mid-level. No photographers/videographers will be in this space.

2 hosts and 7 drag artists will perform live in Wealthy Theatre from approximately 7pm-9:30pm. Cheer, laugh, celebrate the artists on stage, or enjoy quietly. *(Drag show artists will be available for autographs in the live theatre following the show on SUNDAY only).*
