**Great News!! After much conversing with Central – we do have a plan. Starting on Fri., October 2nd, we will be allowing ONE person in at a time! Our library is small and hard to social distance!

**Ideally it is recommended you PHONE or message ahead to secure a time of 15 minutes on the days we are open! That would help things run smoothly! Those who phone and secure a time will get that time. Come to the window once arriving so I know you are ready to enter!

**You will have to use hand sanitizer upon coming into the library which will be right by the inside door.

**Our bathroom will be off-limits (sorry!)

**One computer available by appointment only and this counts as our one person.

**A mask is mandatory. I will be greeting you at the door in mine!

**Our door will be locked while someone is inside getting their items.

**Enter in the front door – and Exit will be out the back door.

**If you are feeling ill at all – please let me know and we can figure something out ie. window or curbside.

**Items will still be quarantined for 3 days upon being returned.

**We can still do window pickup too – while the weather cooperates! That is an option that is up to you!

**I will be sanitizing in between each person!

I look forward to seeing you!

THANK YOU NOTES:

*****A big “thank you” to everyone who came to help me celebrate my 90th birthday on a windy day at that. I hope everyone enjoyed themselves anyway.

Special thanks to those who came a distance – Ontario, Prairies and B.C.

I really appreciated it – I like partying.

Sincerely Merna Gordon & family

NOTICES:

*****Town Council would like to remind vehicle owners that the Town of Colonsay has a Traffic Bylaw that prohibits parking of vehicles on the streets and boulevards for more than 72 hours. The Bylaw also prohibits unhitched trailers from being parked on the street. In addition, there are areas within the Town where there is no parking permitted at any time as indicated by signage. Town Council intends to enforce the Traffic Bylaw by towing and impounding of vehicles in contravention of the Traffic Bylaw via services provided by Brad’s Towing, Saskatoon. For more information on the Traffic Bylaw please contact the Town Office.

*****For rent senior housing, one-bedroom unit. Rent is based on income. Includes energy, water, sewer, lawn care and snow removal. Available immediately. Contact Velma Koolen, Manager, Watrous Housing Authority, (306) 946-8199.

***** Town Council would like to remind its residents to refrain from flushing paper towels, wipes and feminine hygiene products down the sewer. Placing these items in the sewer system has caused sewer blockages in Town resulting in added expense to taxpayers when service calls are required to remove the blockages.
