

Hampton Public School

"Inspiring our community to thrive and engage in a dynamic learning experience."

Mr. Jason Kornegay
Superintendent

Mrs. Marci Krasny
School Business Administrator/Board Secretary

Dear Families,

This afternoon, the Governor announced that all schools in the state will remain closed until May 15th. He will review the status at that point and make a determination for the balance of the school year. We know that all of you have been working hard and have been able to support all of your children through these difficult times. Please remember that we are here for you if you need anything.

We will send updated information about spring events within the next few days. I know everyone has questions about graduations and transitions to new schools. I know how important these events are for our families and assure you that we will find creative ways to celebrate our students as we move through the next few weeks.

Thank you for your continued support.

Sincerely,

Jason Kornegay
