## **BOISE COUNTY OPERATIONS – COVID-19 EMERGENCY AND GOVERNOR’S ORDER**

Boise County Commissioners held an emergency meeting Wednesday afternoon, following Governor Little’s announcement of the Order to Self-Isolate. Elected Officials and Department Heads participated in that meeting and were asked to manage the continuation of essential County services.

In an effort to protect our citizens, including our employees, Boise County administrative facilities are closed to the public, however, we are striving to meet the basic needs of our residents through electronic and telephonic communications. Department Heads and Elected Officials have been authorized to make exceptions, on a case by case basis, in order provide essential services.

Boise County continues to work directly with Federal, State and other local agencies, to manage our services during this Emergency Declaration. We look forward to continuing to serve the residents of Boise County in the weeks ahead.
