

# The Couchiching Conservancy

The Couchiching Conservancy is a non-profit land trust powered by members, supporters and businesses like yours. With your support, we are able to protect and care for over 12,500 acres of ecologically significant land in the Couchiching region. These lands need on-going care and stewardship. That ensures there are green places for the future, protected habitat for some of our most sensitive species and makes sure that we all have wild lands to explore today.

### Your gift in action:

- Demonstrates that you are a leader in our community and care about keeping our community healthy;
- Indicates to your customers and staff members your dedication to protecting what makes our home special;
- Shows your commitment to protecting local green spaces for future generations;
- Allows the Conservancy to continue to protect 45 properties in the region;
- Powers some of the programs we run, like invasive species removal;
- Enables our acquisition efforts to protect additional irreplaceable lands.

### All Partners will receive the following basic benefits:

- ✓ Company name listed on full page recognition ad in *Orillia Packet & Times*
- ✓ Recognition in Conservancy's Annual Report, Annual General Meeting and website
- ✓ A custom-designed display plaque and a Conservancy sticker for each year that you support us

	Oak	Maple	Elm	Pine	Cedar	Willow
