Introduction

The ministry of Good Shepherd Christian Academy is based upon the Biblical conviction that education cannot be divided into the secular and the sacred. The Bible teaches that God is Truth (Deut. 32:4), that Jesus Christ is Truth (John 14:6), and that the Scriptures are Truth (John 17:17). True and lasting education, therefore, is training by instruction and example in the Truth, and that requires the Bible to be the foundation of our school program and Jesus Christ to be the central focus (Col. 1:18b).

In order to build upon this foundation, the following philosophy and practice has been incorporated into our school ministry:

(a) All teachers and assistants must give testimony of personal faith in Christ, be a Christ-like example to the students in all areas of life, and be faithful in attendance and involved in a Christian church;

(b) Curriculum is based on and interpreted in the light of God's revealed word;

(c) Students shall conduct themselves in a Christian manner; the standard by which students should relate to each other and their superiors include honesty, respect, kindness, humility and a servant-spirit;

(d) Discipline flows from the principle that each student is personally accountable for his or her behavior; consistent standards of discipline shall be applied;

(e) Doing one's best is the goal in all studies, and activities; and,

(f) Seeking God's approval is more important than gaining the approval of the world.

Good Shepherd Christian Academy asks all parents enrolling their child to read the following material carefully, then feel free to contact us with questions you might have. A standard procedure is followed for all families applying for enrollment. Please take each step seriously and complete all information requested of you.

Good Shepherd Christian Academy reserves the right to deny enrollment to any student who requires extraordinary attention which cannot reasonably be provided by this school, its faculty and staff. Such determinations will be made by the Administrator after a conference with the child's parent (s) or guardian (s) and review if necessary by the school board.

Mission Statement

The Good Shepherd Christian Academy partners with family and church to provide a Christ-centered, Biblically-based education emphasizing academic excellence and character development.

Vision Statement

Our goal is to provide an educational environment that is spiritually-based, emotionally encouraging, physically safe, and intellectually challenging.

We believe a child has the best opportunity for success when home, church, and school are working together in harmony towards these ends.

Essentials of Faith

We believe in only one true and living God and that the Father, the Son and the Holy Spirit are equal in wisdom, power and glory.

We believe the scriptures of the Old and New Testaments to be of divine authority and the only infallible rule of faith and practice.

We believe in the total depravity of human nature and that a recovery from the situation is wholly and entirely of the sovereign, free and unmerited grace of God in Christ Jesus.

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen. 1:26-27) Reflection of ones' biological sex is a rejection of the image of God within that person.

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect and value all human life. (Psalms 139)

We believe the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen. 2:18-25) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor. 6:18; 7: 2-5; Heb. 13:4) We believe that God has commanded that no intimate sexual activity be engaged in outside of marriage between a man and a woman.

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Act 3:19-21; Rom. 10:9-10: 1 Cor. 6:9-11)

We believe that every person must be afforded compassion, love, kindness, respect and dignity. (Mark 12: 28-31; Luke 6:31) Hateful and harassing behavior or attitudes directed toward and individual are to be repudiated and are not in accord with Scripture nor the doctrines of Good Shepherd Christian Academy.

We believe that God from all eternity purposed to save a people from their sins for His holy name's sake; and that in infinite wisdom He has devised the plan and appointed every means necessary to accomplish the great end of their redemption which He effects in His own time by the operation of the Holy Spirit.

We believe that sinners are justified before God alone by the imputed righteousness of Jesus Christ.

We believe all that are born of the Spirit of God are kept by the Spirit of God through faith unto eternal salvation.

We believe that good works are the effects of the faith of God's elect and follow being born of the Spirit of God, and in this point of view are evidences of a gracious state.

We believe in the resurrection of the body of the just and the unjust and that God will judge the world in righteousness by that One He has ordained.

We believe that the righteous will forever abide in the peaceful presence of God their Redeemer, and that His pardoning grace and forgiving love shall be the theme of their song while the wicked shall remain in everlasting torment.

This statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe.

Early Learning

Good Shepherd Christian Academy offers two early learning classes. The Early Preschool class is 5 half-days (extended day may be available depending on enrollment) per week and is designed for students age 3 by August 1. The Kindergarten Prep class is 5 full-days per week and is designed for students age 4 by August 1. Students in Kindergarten Prep are required to wear uniforms. Curriculum in the early learning program is based on the Indiana Early Learning Foundations.

Expectations for our Early Learners: We work together so that every child can develop to his or her fullest potential socially, emotionally, physically, spiritually, cognitively, and academically. Through growth in all of these domains, the child will become a healthy, capable, competent, and powerful learner.

Curriculum - Kindergarten - 5th Grade

Good Shepherd Christian Academy uses Biblically based and other coordinated curricula which develop excellence in academics and Christian character. These materials are Christ-centered and are designed to give students a superior education that prepares them not only for further education but also for life.

Every subject is approached from a thoroughly Biblical point of view. Christian character education and a Biblical worldview perspective are integrated into class materials from the

ground up—not as an afterthought. Our curriculum includes teacher direction, demonstration, drill, practice, and review. Students are taught to understand concepts and functions in order to answer questions logically. The Bible curriculum is strictly non-denominational, but is Biblically sound. The curriculum provides an enjoyable learning experience using games and varied creative learning techniques that lead to academic excellence.

Lessons in all subjects meet or exceed Indiana Academic Standards. Student worksheets are colorful and utilize new and review material. On a national level, most students using our curriculum far exceed the norm. Achievement tests are given each spring to monitor student strengths and weaknesses. We attempt to utilize all learning styles during instruction: visual, auditory, and kinesthetic. We encourage concrete and abstract thinking. Common rules and clues to operations are stressed in math, phonics, and language. Science will include experiments and projects. Map skills and geography will be a source of fun activities during the year. Our fine arts program offers art, music, keyboarding, Physical Education, and Science, Technology, Engineering, Math (S.T.E.M.)

Intermediate classes learn to use higher analytical skills to diagram sentences in language, write term papers, and perform higher math skills such as pre-algebra, geometry, and multi-task problems. Indiana history is offered in the 4th grade.

Each school year is carefully prepared by our staff and school committee in order to maximize the academic and creative skills of each student. We strive to provide a healthy Biblical view of God's world to prepare each student for success in this world and for eternity.

As required by the state of Indiana, there are at least 180 instruction days during the school year.

E-Learning

GSCA has applied and been approved to participate in E-Learning days by the Indiana Department of Education (DOE).

What is eLearning?

eLearning is learning utilizing technology to access educational curriculum outside of the traditional classroom. Good Shepherd Christian Academy's School Board, administration, and teachers believe that continuity of instruction is critical to our students' success. Therefore, GSCA will provide the opportunity for students to interact with their teachers on eLearning Days through the use of personal devices, Google Classroom, email, and Remind to ensure uninterrupted instruction.

Important Facts:

1. Every cancellation is an eLearning Day. eLearning Days will be held on the same day school is cancelled.

2. Classroom work will be posted by 10:00 a.m. on the day of cancellation. Students in K-6 will find their work (assignments and expected work to be completed) posted on Google Classroom. EP and KP students will find optional activities posted on Remind.
3. Teachers will have set online office hours of 10:00 a.m. - 2:00 p.m. with additional hours posted on the class Google Classroom page. Teachers will be available during this time to answer questions.
4. Mrs. Kuhn's online office hours will be 9:00 a.m. - 4:00 p.m. She may be contacted via the Remind App. If you are unable to contact your child's teacher during classroom hours, please contact Mrs. Kuhn. She will then reach out to the teacher for you.
5. The time to complete eLearning assignments will vary depending on the student's grade. Your child's eLearning Day should take no longer than 4 - 5 hours to complete.
6. Assignments are due two days after the eLearning day unless otherwise determined by the teacher.
7. Completed eLearning assignments will be used to determine attendance on an eLearning Day.
8. eLearning assignments will not cover new material.
9. 4th - 6th grade students should be able to complete the work on their own without assistance from a parent. K - 3rd grade may need some assistance.
10. If you do not have home access to the Internet, please keep in mind that the public library and several area restaurants offer free wifi.

Parent-Teacher Conferences

A parent-teacher conference will be scheduled by teachers for students. It is best if both parents are present for the conference, but it is not required. However, it is a requirement one parent /guardian is in attendance. During this time, the teacher and parents have the opportunity to discuss the progress of the student and to become better acquainted. Also, parents are encouraged to request conferences at any time they think they are necessary. Good Shepherd Christian Academy teachers and administration welcome these opportunities and are eager to help with each student's educational progress.

Computer Guidelines

Good Shepherd Christian Academy provides students with access to an electronic network. This network includes Internet access and computer equipment for educational purposes. The

purpose of this network is to assist in preparing students for success in life and work in the 21st Century. A Rules and Procedures handbook will accompany the student handbook. This is a document containing the rules and procedures for acceptable student use of the Good Shepherd Christian Academy electronic network. Any violation of these rules and procedures will be subject to discipline, or in extreme cases, expulsion.

Acceptable Use Policy

At Good Shepherd Christian Academy, our students have access to many valuable instructional technology tools as well as Internet access in our technology labs and classrooms. Our goal is to teach students to utilize these electronic resources to enhance our school's instructional goals.

Good Shepherd Christian Academy and First Baptist Church have taken precautions to ensure that students are using the Internet and other electronic resources for appropriate educational means. Student use of the Internet resources will be supervised by an adult at all times.

However, we cannot guarantee that students will refrain from locating inappropriate sources. Please review the guidelines listed and sign below.

1. Students will use respect and show proper care and handling of all equipment. Any student found to be intentionally damaging any software or hardware will be cited for school property abuse.
2. Students are expected to respect and not attempt to by-pass security in place on computers. Changing or attempting to change a computer's settings is a violation of acceptable use of our equipment.
3. Students will observe software copyright laws. No students will bring software from home to copy on school workstations, nor will students copy school software for personal use.
4. When using the Internet, students' actions will be closely supervised. They will be held responsible for information viewed, received, and sent.
5. Students are expected to respect the work and ownership rights of others.

Students are to agree to follow this policy and must understand that any violation of the procedures may result in the loss of technology privileges for the remainder of the year. Additional consequences may be determined and carried out by the administration.

Parent/Guardian are to understand the access is for educational purposes and that the First Baptist Church of Greensburg has taken precautions to eliminate controversial material from being viewed by users. However, I recognize that it is impossible to restrict access to all controversial materials. I will not hold F.B.C., G.S.C.A., or any staff member responsible for

materials acquired over the Internet. I hereby give permission to my child to be given the privilege of Internet access. *Signature required on registration form*

Cell Phones

Students are prohibited from using cell phones during school hours and from taking photos or videos on campus. Students are advised of the consequences of this policy which include confiscation and the examination of their cell phones. Cell phones must be kept in book bag and turned off.

Homework

Assignments given as homework are designed to develop initiative, responses, and self-learning. There may not be sufficient study time during the school day for proper preparation of all assignments.

1. Insure the student is provided with a quiet, secluded place to study. Check ventilation, lighting, heat, etc. TV and radio should be off and phone calls minimized. Have paper, pencils, rulers, books, etc., available for work.
2. Parents may need to check from time to time to see how much and what kind of work is being done. Showing this interest can be of help and encouragement in itself. If there is a problem, why not pray about it together?
3. Emphasize learning and appreciation of education not only for marks or grades, but to please our Lord.
4. Insure that your student gets adequate sleep. Lack of sleep and school success do not mix.
5. As important as written assignments are, reading and studying are just as important. Young people should learn to work to achieve to please the Lord; He expects us to do our best. (Col. 3:23)

Attendance/Illness

Good Shepherd Christian Academy believes that regular school attendance is critical to a student's ability to derive the full benefits provided in the school. Maximum learning occurs through teacher instruction, class participation, and interaction among students. Therefore, any school absence, excused or unexcused, places the student at a disadvantage. Regular school attendance further prepares students to assume their roles as productive members of the work force and society.

If your child is absent, it is necessary to notify the School Office by calling the school by 8:30 a.m. on the day of the absence. If you are not able to call school the day of the absence, you must send a note with your child when he/she returns to school stating the reason for the

absence. If the reason for the absence is not provided, the absence will be recorded as unexcused.

1. When your child visits the doctor, dentist, optometrist, etc., the doctor must confirm the visit. Forms are in the doctors' offices and are also available at the school office. If the doctor does not confirm the visit, the absence will be recorded as unexcused. The student should miss only the time necessary for the appointment and travel time to and from the appointment.
2. Frequent absences (missing more than nine days in any school year) may result in requiring a doctor's statement to count as an excused absence. Continued problems with absences, late arrivals, and early departures will be referred to the Administrator for further investigation. School day begins at 7:45 a.m. A student is considered tardy when he or she arrives after 7:45 a.m. A student who is tardy more than 9 times in one semester will be counted as absent 1 day and referred to the Administrator for further investigation.
3. Your child is responsible for requesting makeup work. You may pick up assignments during the period of a student's extended absence (two or more days) by giving the teacher 24 hours' notice. This gives the teacher time to prepare the materials and send them to the office.
4. If you wish your child to be excused from school for "highly extenuating circumstances" or for participation in non-school sponsored competitions, the school Administrator must be notified and the absence approved on a case by case basis. If a child misses more than 10 days in a school year without an excused absence; such absences must be reported as unexcused with the Department of Education.

Leaving School During The Day

After a student has arrived on the school grounds in the morning, he/she is not to leave for any purpose without parental note or personal contact and/or teacher permission. To be excused from school during the day, a note from home is to be presented to the respective class or homeroom teacher. For their protection, parents are to always sign them out at the Administration office.

Recess Guidelines

Recess will be held outside each day unless the real feel temperature is below 40 degrees, it is raining, or there are excessive winds. Please make sure your child has come prepared for outside each day! Make sure they have on coat/jacket, gloves when appropriate.

Care of the Building, Equipment & Grounds

The buildings, equipment and school/church property are provided by the sacrificial gifts and labors of God's people who are interested in Christian education. We at Good Shepherd Christian Academy are privileged to be able to use these fine facilities through the provisions of

the people of First Baptist Church. Let us show our appreciation by doing all we can to keep building and equipment in good condition.

Policy for Late Pick-Up

It is expected that each child will be picked up promptly by parents or other designated caregiver. Dismissal time will be made clear to all families at time of orientation. However, if caregiver is more than 10 minutes late picking up their child, the teacher will return to the classroom with the child and will attempt to contact child's emergency phone number. Caregivers must expect to come in and pick up their child and sign them out in the Administration office when they are late.

There is a grace period of 10 minutes from the end of your student's day. You will be charged \$5.00 per minute for every minute after the allotted late time of 10 minutes. You will receive a notice with the charge prior to the 10th of each month. It is expected that the late fee will be paid with that month's tuition payment. Obviously, there are extenuating circumstances and with a phone call they can be dealt with. We are working toward excellence and the best environment for all involved.

Drop Off

Only drop off your child in the morning at the drop off zone, between 7:30 a.m. –7:45 a.m., when a monitor is present. If you arrive after 7:45 a.m., an adult must walk them in and sign the register at the Administration office. Doors are locked promptly at 7:45 a.m.

Safety

Good Shepherd Christian Academy is a secure facility. Each door and elevator leading to Good Shepherd Christian Academy will be kept locked during school hours. Please ring the doorbell at school entrance for entry.

This is a special time for a parent to spend with the student on a field trip, as well as being able to help the teacher. Teachers will arrange for chaperones in advance in accordance with student chaperone ratios established by school policy. Teachers have final determination of who will accompany field trips. No smoking is allowed. Students are to wear khaki bottoms and navy polos on field trips unless otherwise noted on the permission slip.

Lunch Room Policy

Each day a school lunch is available. Lunch accounts must be prepaid. Menus are posted via GSCA website. You may also choose to pack a lunch. No carbonated drinks will be permitted. Sharing food with other students is not permitted for safety purposes. No refrigeration or microwave available for student use. Lunchtime will be utilized to build and encourage lessons in courtesy and community.

Emergency Drill Procedure

It is the mission of Good Shepherd Christian Academy to create a safe, secure learning environment. GSCA has put a Safety Plan in place with Greensburg School Corporation and our Decatur County First Responders in order to accomplish this task. GSCA participates in Earthquake Drills, Shelter-in-Place Drills, Lock-Down Drills, Tornado Drills, as well as Fire Drills. School safety training is viewed as an ongoing process. Providing staff/students with adequate training is critical to the successful resolution of emergency situations. Each month we are required by law to have a fire drill in order to prepare students and faculty in case of a real emergency. Instructions to each class are given by the teacher. Each class leaves the building by a specific route. These routes have been planned carefully to avoid congestion and to empty the building in the shortest possible time. The general rules to follow are:

1. Classes will leave the building in a quiet, orderly manner.
2. No talking during the fire drill.
3. All books and school supplies should remain in the room.
4. The teacher is the last person to leave the room.
5. The door to the classroom is to be closed, lights turned off.
6. Class groups are to remain together in designated areas.

Administering Medications

No medication shall be administered to a student without the written and dated consent of the student's parent or guardian. The consent of the parent shall be valid only for the period specified on the consent form and in no case longer than the current school or program year.

All non-prescription medicine to be administered to a student must be accompanied by a statement describing the medicine, the dosage, and the time for it to be administered to the

student. All prescription medicine, including injectable medicine, and all blood glucose tests by finger prick to be administered to a student must be accompanied by a physician's prescription, a copy of the original prescription, or the pharmacy label.

No student shall be allowed to keep medicine at school. Any medicine to be administered to a student shall be brought to the school office immediately on arrival where it will be kept in a secure place.

Unused medicine may be sent home with the student only with the written permission of the student's parent.

Medication shall be administered in accordance with the parent's statement (in the case of nonprescription medicine) or the physician's order. All administration of medicine shall be documented in writing.

Any prescription medication for a student must be delivered to the school office by a parent or guardian. Students are not to transport prescription medicine by bus.

Non-prescription medicine may be transported to school by a student; however, the medication should be kept in the student's pocket, bookbag, purse or lunchbox until delivered to the school's office.

If a prescribed medication is to be administered to a student while attending school, these requirements must be strictly followed:

1. Written instructions by the physician must be on file and the parent must send a permission slip requesting the medication be given, the amount to be given and the time medication is to be given.
2. All medication prescribed must be kept in the original container with the pharmacy label, name and address of patient, name and strength of the drug, the amount to be dispensed, directions for proper use and the name of the prescribing doctor. An exact measuring device must accompany container. Pharmacies will generally provide a duplicate container upon request.
3. There will be no standing order for medications such as aspirin, Tylenol, cough syrup, antacid, etc. Over the counter medication must be sent to the school in its original container, labeled with the student's name, and be accompanied by a note from the parent as to time and the amount of medicine to be given.
4. A written order by a physician is needed for over the counter medications which are not typically advisable for children, (e.g., Adult strength aspirin, certain cold medicines, etc.)
5. All medication (except those prescribed over a long-term period) are to be picked up by the parent at the end of the school day/week and taken home.

If these guidelines are not met, medication will not be given at school.

(A complete medication form is included in this Handbook and is available on the GSCA website.)

Illness Guidelines

Students will be sent home from school for any of the following:

- Fever at or over 100 degrees
- Vomiting
- Diarrhea
- Any other potentially contagious illness such as a rash, an unknown origin, or if the student presents with symptoms of pink eye.

In addition, to reduce the spread of illness between students, we will require your cooperation with the following:

Students should be fever free without medication (such as Tylenol or Motrin) for 24 hours before returning to school.

Students are to remain at home for 24 hours after the LAST episode of vomiting or diarrhea.

Students are to remain at home for 24 hours after taking the FIRST dose of antibiotics for an infection.

Head Lice Guidelines

Any child with active head lice infestation will be sent home from school at the time of lice identification. The student's siblings will be checked for head lice. Parent/guardian will be notified that day by phone, letter, or personal contact (home visit). Treatment for lice will be required before the student returns to school. Treatment guides and health information about lice will be sent home with the student. If the student/family is unable to purchase appropriate treatment medications, a referral will be made by the school to the Decatur County Health Department. The school will request that parents/guardians will remove the eggs (nits). If this is not completed when the student returns to school, the administration will encourage the family to continue with nit removal. Students will be allowed to return to school when treatment has been completed. Confidentiality will be maintained for the student/family with the head lice. A note from the school will be sent with all children in the affected classroom suggesting that parents check their children's heads for lice because of a case in the classroom. Periodic education about lice diagnosis, treatment and prevention may be given to the school families during the school year.

Discipline

Teachers will establish rules/guidelines, reviewed and approved by school board, concerning general student behavior, which contribute to positive learning. Deliberate disobedience, disrespect, cheating, lack of courtesy, incomplete homework, violation of school rules, tardiness, and other misdemeanors will be handled by the classroom teacher. Recurrent, unusual, and/or major violations will be referred immediately to Administration and may result

in suspension, probation, or expulsion. The first concern of discipline is to aid the student in correcting undesirable behavior.

Some examples of major violations are: insubordination or refusal to comply with reasonable request of school personnel; willful destruction of school property; profane or obscene language or actions; truancy; theft; fighting, hitting, threatening or bullying; use or sale of drugs, fireworks, explosives, or weapons; anything contributing to the disruption of regular activities; any behavior in action or words that is antagonistic to the basic goals and objectives of the school and has an adverse effect on other children.

The Administrator has the authority to suspend the student from school. Decisions made by the school board are final.

Major disciplinary action may be requested and parental conference with a representative of the school board present. The school board may determine that a student's behavior is of a nature that would make it inadvisable for the student to continue attending Good Shepherd Christian Academy.

If a student is removed from the school for disciplinary reasons, tuition is non-refundable. Parent/Guardian are liable for fees and tuition for that semester. This includes School Choice Students.
