Liberty Baptist Fellowship

Liberty Baptist Chaplains, called to bear the presence and message of Jesus Christ around the globe.

Liberty Baptist Fellowship (LBF) was first established in 1982 when several graduates of the seminary expressed their desire to become chaplains in the United States Armed Forces. Under the leadership of Dr. Dennis Fields, Dr. Lew Weider, Dr. Charlie Davidson and now Dr. Steven Keith and Dr. Keith Travis, LBF continues to be the endorsing agency for hundreds of chaplains serving in the military, healthcare, prisons, public safety and in many other community positions.

LBF is very thankful for the faithfulness of our Chaplains to God's Call in serving Him as a chaplain. Our desire is to be supportive of and be a part of each of our Chaplain's ministry. We stand at the ready to help in any way we can, with full knowledge that there are some difficulties in ministering in chaplaincy.
